This Red Monterey when bred to any Black sire will make 50% R&W progeny. This rare gene known as the Dominant Red (DR1) (Variant Red) allows all Black sire genetics to be converted to red. It is transmittable to each generation. Red enthusiast breeders can now incorporate black sires with the purchase of this Red Monterey. This is an extremely rare investment opportunity. The same is true for her subsequent offspring if they are Red

Sales Terms and Conditions ~ Butler Auctions, LLC

SALE: All cattle, choice of offspring, or genetic material (embryos, semen, or other containing DNA) listed in the catalog that includes these terms ("Catalog") shall be offered for sale by auction to the highest bidder from the location and at the dates and times set forth at the front of the Catalog ("Sale"). All bidding is open to the public. Butler-Fellers Auction, Inc. ("Sale Management") will conduct the auction, settle any bidding disputes, and declare the winning bidder for all items in the Sale. In the event of a bidding dispute, the Sale Management reserves the right to rebid the item in dispute or take such other action it deems appropriate. The Sale Management's decision on all matters concerning the winning bidder and the amount bid shall be final. The winning bidder ("Buyer") agrees to purchase the item auctioned pursuant to the terms and conditions set forth herein.

Buyer should examine all animals purchased immediately after the purchase and before the close of the Sale, and if found not to be as represented, file a complaint with the Sale Management before the close of the Sale. If the Buyer does not file a complaint with the Sale Management before the conclusion of the Sale, the Buyer cannot challenge the representations of the Seller through the Sale Management. **BUYER ASSUMES FULL OWNERSHIP OF ANIMALS AT SALE SITE TOGETHER WITH ALL RISKS.**

Corrections and additions to the information in this Catalog may be made through printed updates made available at the Sale or by announcements from the auction stand prior to the auction of the item. Buyer shall be bound by terms of sale so announced.

By-Bidding. Bidding directly or indirectly by the sole owner of any animal or genetic material is prohibited unless the intention to bid is disclosed specific to each listing in the Catalog and announced when the animal or genetic material is auctioned. However, bidding by any member(s) of a partnership, syndicate, or other entity owning less than 100% ownership interest in the animal or genetic material is permitted.

Pedigree Information. All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the Seller will be identified as being provided by Seller. Records in progress are identified as such.

Genomic Information. If genomic information on the animal or genetic material is available, it must be dated and disclosed at or before the time of sale.

Embryo Transfer. All registered animals or genetic material that have resulted from embryo transfer will be identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams shall also be identified.

PAYMENT TERMS:

General Payment Terms. Buyers are required to pay for purchases in cash or by check at the conclusion of the Sale, unless other payment terms are specifically: 1) stated in the Catalog or an Update Sheet distributed at the Sale; or 2) agreed to by both the Seller and the prospective buyer prior to the sale and Sale Management is notified in writing. Absentee Buyers purchasing through Sale Management or agents over the phone or otherwise are required to make payment on the business day following the Sale. There will be no exceptions to these payment requirements.

Choice of Flush Payment Terms. For any sale in which Buyer is purchasing the right to Buyer's choice of a calf from particular mating between a specific cow and bull ("Flush") of a particular sex and/or with specific characteristics ("Choice"), payments shall be required as follows:

35% Due at the conclusion of the sale; and

65% Due upon the earlier of Buyer's selection of the calf or 30 days after presentation of genomic test results for the youngest calf in the Flush.

Unless other payment terms are specifically: 1) stated in the Catalog or an Update Sheet distributed at the Sale; or 2) agreed to by both the Seller and the Buyer prior to the sale and Sale Management is notified in writing.

CHOICE OF FLUSH TERMS.

Selection. Seller shall promptly notify Buyer of the genomic testing results for each calf in the Flush that meets the criteria of the Choice. Buyer of the Choice shall select and take possession of the selected calf within 30 days of receipt of the genomic test scores for the youngest calf in the Flush ("Selection Period"). If Buyer fails

to make the selection within the Selection Period, Buyer will be deemed to have selected the calf with the highest GTPI score of the Flush that is sound, healthy, and meets the Choice criteria. Buyer shall pay Seller a boarding fee of \$10.00 per day for each day that Seller remains in possession of the Choice calf after the expiration of the Selection Period.

Buyer's Default on Choice. Should Buyer fail to take possession or make the payments required hereunder, Seller may proceed with any legal means necessary to enforce the terms hereunder. Seller may seek specific performance requiring the Buyer to complete the sale; file suit against Buyer for damages, including attorney's fees and court costs; or Seller, at its sole option, can terminate the contract for Buyer's failure to perform and Seller shall have no obligation to return Buyer's down payment. If the Buyer fails to make payment or take possession of the Choice Calf within 60 days after expiration of the Selection Period, the Seller may but shall not be obligated to sell the Choice calf at a public sale after providing Buyer written notice at least 10 days prior to such sale. Buyer shall be responsible for all costs associated with such sale.

Documentation and Exams. Seller of Choice shall complete all blood typing, health checks, and registrations of the calf prior to transfer. Upon selection of Choice by Buyer, Seller will promptly transfer the calf's registration and any other licensing or certificates to the Buyer's name.

Inability to Produce Choice. Should the specified Flush fail to produce a sound healthy calf of the sex and characteristics specified in the Choice and the Dam dies, becomes unable to produce embryos, or proves unable to produce sound healthy offspring, the Buyer shall be entitled to a refund from the Seller of the deposit paid for the Choice. No interest or any other reimbursements are due to Buyer.

Failure to Produce Choice. Should the specified Flush fail to produce a sound healthy calf of the sex and characteristics specified in the Choice, the Buyer shall have the option, in Buyer's sole discretion, to request in writing a refund of the deposit paid for the Choice or to fulfill the Choice from the next Flush of the Dam that is not committed to a third party (by choice or similar contract) at the time the first Flush fails and produces a sound healthy calf of the sex and with the characteristics specified in the Choice. The option to fulfill the Choice on a subsequent Flush shall only apply to the first uncommitted Flush from the Dam that includes a calf of the sex and with the characteristics specified in the Choice. If Buyer elects not to accept the qualifying calf as fulfillment of the Choice, the Buyer shall be entitled to a refund and shall have no further options to purchase under the Choice. Any agreement between the parties to alter these terms must be in writing and signed by both parties to be enforceable. Neither Buyer or Seller shall be responsible for reimbursing the other party for boarding fees, feed expenses, transportation expenses, or interest for the failure to produce Choice or the substitute calf. If the Buyer fulfills the Choice with a calf from an alternate Flush, the payment schedule will remain the same with respect to age of calf selected.

Any disputes regarding Choice purchases are strictly between Buyer and Seller. Sale Management is not liable for any failed Choice, and such failure will not entitle either party to a refund of any sale commission paid. Upon request Sale Management will mediate any dispute concerning Choice between the Buyer and Seller.

Failure to Meet Breeding Warranty. Should the calf selected by the Buyer under the Choice not meet the Breeding Warranty specified herein, the Seller will refund to Buyer the full purchase price paid for the Choice, less the salvage value of the animal. No boarding fee, feed expense, transportation expense, or interest is due from the Buyer or Seller.

WARRANTIES AND LIMITATIONS.

General Warranties and Limitations of Warranties. Except as specifically provided herein, the animals and genetic materials being auctioned at this Sale are being sold "As Is" and "Where Is" without representation, warranty, or guarantee as to quantity, quality, character, condition, size, or kind, or that it is in condition or fit to be used for the purpose for which intended.

Seller warrants and represents to Buyer and to Sale Management with respect to each animal and genetic material auctioned at the Sale, the following:

1) Seller has clear and merchantable title to the animal that is not subject to liens or encumbrances.

2) Seller has all rights and authority required to sell the animal at the Sale subject to the terms and conditions provided herein.

3) To the best of the Seller's knowledge, the animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the Catalog, Update Sheet, or announced at the Sale. Every precaution will be taken to represent the physical condition of each animal exactly as is known. The condition of the Heifers' udders following calving for Heifers that have never calved is in no way guaranteed.

Breeding Warranty. Seller warrants to Buyer that the animals auctioned at the Sale are Breeders as specified below:

Males. A "Breeder" will produce semen capable of fertilizing a cow and that is freezable meeting A.I. standards. Bulls shall be considered a Breeder unless it reaches 18 months of age and fails to sire offspring after being used for 2 months on cows known to be Breeders or it fails a breeding soundness exam administered by a licensed veterinarian.

Females. A "Breeder" will be capable of conceiving by natural service, carrying, and giving birth to a calf. Any female between the ages of 21 months and 7 years when sold are guaranteed to be a Breeder with the exception of a female carrying a pregnancy that is the result of an embryo transfer.

Females bred prior to the Sale and pronounced "in calf" are presumed to be pregnant but the pregnancy of such animal is not guaranteed unless such guarantee is specified in the Catalog, Update Sheet, or announced at the Sale. The Seller makes no warranty that pregnant cows will deliver or carry the calf full term.

Claims. Buyer must make any claim under the Breeding Warranty by submitting a written claim to the Seller before the later of 3 months after the Sale or the animal reaches 20 months of age for males or 23 months of age for females. The written claim must include the animal's examination records, the steps taken to breed the animal, and a statement by a licensed veterinarian indicating the animal's inability to breed. Upon receipt of the claim, the Seller will have 6 months to determine the animal's breeding ability, through examination by a competent veterinarian or reproductive technician or by breeding the animal. During this examination period, the Buyer shall cooperate with any testing requested by Seller, at Seller's cost, and at Seller's request shall return the animal to the Seller. If the animal proves to be a Breeder, the Seller shall provide Buyer with such proof and the animal will be returned to the Buyer. All transportation of the animal shall be at Buyer's expense.

Limitation of Breeding Warranty. Unless the Buyer and Seller otherwise agree in writing, the Buyer's sole and exclusive remedy for the failure of Breeding Warranty is the refund of the purchase price, upon expiration of any applicable cure period, and return or disposition of the animal as directed by the Seller. The Breeding Warranty shall be void if the Buyer recovers embryos or oocytes or attempts to super-ovulate the animal, unless Buyer and Seller set out such a warranty in a separate written agreement.

Embryo Transfer Guarantee. Any embryo transfer guarantee or warranty is strictly between Buyer and Seller and shall be documented in a separate written agreement by the parties. Sale Management makes no guarantee as to the viability or transferability of any embryos auctioned at the Sale.

ALL WARRANTIES CONTAINED HEREIN, UNLESS TERMINATED EARLIER, WILL CEASE UPON THE RESALE OF AN ANIMAL OR GENETIC MATERIAL.

GENERAL TERMS

Conditional Contracts on Animals. Because of the elite genetic status within the Holstein breed of the animals and genetic materials sold through this Sale, Sellers often are able to secure conditional contracts for the calves being sold that are assignable to Buyer. Prospective buyers are encouraged to review such contracts prior to purchase. All such contracts are conditional with expirations and other specific criteria that the calf and the Buyer must meet for the contract to become effective. It is the Buyer's responsibility to be aware of the terms of any such contracts and to discuss the contract details with Seller (not Sale Management) prior to purchase.

Animals' Health. Seller will provide an Interstate Health Certificate to Buyer for animals sold at the Sale. Animals offered for sale have tested negative for: Brucellosis (except baby calves and official calfhood vaccinated females under 20 months old) and Tuberculosis (except calves under 4 months old) within 30 days of the Sale. If Seller has tested (not required) the animal for Blue Tongue, Leukosis, EHD, Johnes, Anaplasmosis, or BVD, Seller shall disclose the test results to prospective buyers upon request. Animals are not required to test negative for Blue Tongue, Leukosis, EHD, Johnes, Anaplasmosis, or BVD to be included in the Sale.

Buyer shall be solely responsible for ensuring that any calf it purchases at the Sale meets the health requirements of Buyer's State or Country. Prospective buyers should discuss the status of any required tests or inspection with Seller prior to purchase. Animals are not guaranteed to have been tested or to qualify for entrance into any particular State or Country. Any additional health testing required will be at Buyer's expense and results are not guaranteed.

Transfer of Registered Ownership. For all registered Holsteins and embryos, Seller, at its cost, will take all actions necessary to transfer ownership of the animal or embryo to the Buyer on the records of Holstein Association USA and a certificate of registration showing Buyer's ownership will be provided to the Buyer.

Transportation. Buyer is solely responsible for arranging and transporting any animal it purchases at the Sale. Sale Management will be available to assist Buyer in arranging transportation for animals purchased at the Sale. However, Buyer bears all costs, risks, and responsibility for the animal and its transportation.

Risk and Mortality Insurance. Seller shall be responsible for and bear the sole risk of the animal's injury or death until sold. Buyer assumes the risk of the animal's injury or death when Buyer is pronounced the winning bidder by the auctioneer. Insurance may be purchased at the Sale for Seller's protection before the Sale and for Buyer's protection after the Sale. Sale Management encourages everyone to ensure that they have appropriate insurance coverage. For purchases made on terms, the parties are encouraged to purchase insurance on the animal for at least the unpaid balance with Buyer and Seller listed as loss payee.

Errors and Omissions. The material in this Catalog has been carefully edited. If any errors or omissions are discovered, they will be corrected in an Update Sheet or announced at the Sale. Such Update Sheets or announcements at the Sale take precedence over the information printed in the Catalog.

Accidents. The Sale Management, the Seller, the Buyer, and the owner of the location of the Sale are not responsible for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

Limitation of Liability. Except as otherwise provided herein, each party will use all reasonable efforts to meet the party's obligations hereunder, but in the unlikely event that a party is unable to fulfill its obligations hereunder for any reason, the parties agree that the other party's liability, in the absence of fraud, will not exceed the amount paid for the animal or genetic material and any reasonable transportation costs as provided hereunder. **UNDER NO CIRCUMSTANCES EXCEPT FRAUD WILL BUYER, SELLER, OR SALE MANAGEMENT BE LIABLE FOR LOST PROFITS OR ANY OTHER INCIDENTAL CONSEQUENTIAL, SPECIAL, OR PUNITIVE DAMAGES WHETHER IN CONTRACT OR TORT, INCLUDING, WITHOUT LIMITATION, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE WHICH ARISE OR MAY ARISE OUT OF OR RELATE TO THIS TRANSACTION.**

Severability of Invalid Terms. In the event any provision or portion of these terms and conditions is held to be invalid or unenforceable, such provision or portion thereof shall be severed herefrom, and the remaining provisions will remain in full force and effect, if the essential terms and conditions hereof remain valid.

Costs and Attorneys Fees. Except as otherwise expressly provided herein, each party shall pay its own costs and expenses in connection with the transactions contemplated herein. Notwithstanding the foregoing, all costs, expenses, and reasonable attorneys' fees incurred by the prevailing party in any action to interpret or enforce the party's rights under these terms and conditions may be recovered from the non-prevailing party.

Applicable Laws. The substantive laws of the State of Illinois (not its conflict of law principles) shall govern all matters arising out of, or relating to these terms and conditions and the transactions contemplated herein. Any action or proceeding seeking to enforce any provision of, or based on any right arising out of, the transactions contemplated herein may be brought by either party but only in the courts of the State of Illinois, or, if it has or can acquire jurisdiction, in the United States District Court sitting in Illinois, and each of the parties consents to the jurisdiction of such courts in any such action or proceeding and waives any objection to venue laid therein.

THE AFOREMENTIONED TERMS AND CONDITIONS SHALL CONSTITUTE A CONTRACT BETWEEN THE BUYER AND THE SELLER AND SHALL BE BINDING UPON BOTH.
