dos

May 5, 2017
Dubuque, Iowa - 12:00 P.M. CST

Welcome to Genetic Fiesta Dos!

GenoSource and Farnear have assembled an outstanding lineup. We are humbled and grateful that our partners and friends have consigned some of their best genetics from the breeds' iconic cow families, to the sale this year.

As you browse through the catalog, we are sure there will be something for you in your price range. We take great satisfaction in seeing breeder's success with our genetics. Whether you have an interest in show cattle, reds, elite genomics, or really nice milk cows with deep pedigrees, buy with confidence.

Make it a weekend in Iowa by also attending the Courtlane Celebration Sale in Ridgeway, Iowa on Saturday, May 6th!

We hope you enjoy your time with us and take part of the fiesta home with you. Best of luck with your purchases, we hope they do as well for you as they have for us. Thank you for coming to Iowa and celebrating Cinco de Mayo with us!

The Holstein Foundation educates and develops future leaders for a vibrant dairy community.

The Holstein Foundation is a 501(c)3 organization founded in 1989. Their education, leadership development and outreach programs serve both youth and young adults across the country who are involved with all breeds of dairy cattle.

Youth Education & Outreach

Donations support everyday efforts to educate and encourage dairy youth. Recognizing many youth get their start in the showing, each year, the Holstein Foundation provides almost 10,000 free ribbons to local shows. This fund also supports free educational workbooks targeted at youth, available to download at www.holsteinfoundation.org, covering topics from dairy judging to nutrition and genetics.
