And starting off 2019 with a bang:

BLAIR - Intermediate & Grand Champion, NY Spring Red & White Show

Spring Sensation Sale 2019

Dear Friends,

Welcome to the 8th Edition of the Spring Sensation Sale! We are proud to have one of the longest running herd sale series, and are humbled by the positive response our breeding has received.

The changes in our industry's marketplace necessitate changes in our sale structure. As such, we will not be offering any genomic index cattle. It has become more difficult to "reload" our high index females after we sell our best. Instead, we are limiting our offering to high-type pedigreed heifers from our prominent show families. We've been fortunate to have some success in the ring in recent years, and are proud to invite your inspection of this year's line-up. Several heifers selling are sisters to Junior Champions of the Holstein and Red & White show of the 2018 Royal Winter Fair, and family members that helped us win the Premier Breeder banners in the 2018 World Dairy Expo Red & White Show and Holstein heifer shows.

We are fortunate to work with a tremendous team. Any success that we have enjoyed is due to them - they deserve all the credit! Their hard work, competitiveness, and determination start with their day-to-day tasks and attention to detail.

We may be biased, but we think this is the best group that we have ever offered! We look forward to seeing you on May 18th. Thank you for your interest in our genetics, and good luck with your purchases.

The Lamb Family

Pictured with Blair: Kelcie Degenfelder, Adam Dresser, Jonathan & Alicia Lamb.
Pictured with Karmilla: Jamie Black, Andy Beach, Andrew & Jenna Lenhart.

May 18, 2019 ~ 11AM
Lamb Farms #2 ~ Oakfield, NY

Schedule

We invite your inspection of the cattle on
Friday afternoon, May 17

Sale: Saturday, May 18, 11AM

Lunch will be available ringside from
the Nioga Junior Holstein Club.

Location Lamb Farms #2

3962 Batavia-Elba Townline Rd, Oakfield, NY

From NYS Thruway/I-90: Exit 48 turn north onto Route 98 for
2 miles. Turn left (west) at the blinking light onto Batavia-Elba
Townline Rd. Farm is ~1½ miles on the left (south side of road).

Leadsman

Kelcie Degenfelder, Jenna Lenhart, Hailee Liddle, Emily
Mikel, Keaton Phoenix, Mackenzie Reynolds

Herd Health Oakfield Corners Dairy has a strict herd health
and vaccination protocol. All cattle are tested for immediate
interstate shipment, negative for BVD-PI, inoculated against
shipping fever, and pregnancy examined. Cattle purchased for
export to Canada will require extra testing and associated fees.
Please make arrangements with sale manager prior to sale.

Terms Cash or good check on sale day. Cattle purchased
by an agent or sale staff on buyers behalf should be settled
for by overnight payment. For all other terms and conditions,
refer to the Holstein Association Terms and Conditions page
in this catalog. For those animals not settled for on sale day,
buyers are required to purchase a 30-day insurance policy,
or hold sale managers and sellers harmless. Buyers assume all
liability upon purchase.

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, March 26, 2010 and March 24, 2016

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving. The sex of an embryo or fetus is in no way guaranteed.

3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:

1. Cows over 7 years of age when sold;
2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
