WELCOME // BIENVENUE // WILLKOMMEN

 Dear breeders,

We are very proud to present you the catalogue for the 1st European Masters Sale - which will be held on Friday, the 12th of April in Libramont. The city which will be the centre of the Global Holstein breed during these days! The greatest cows from the breed will compete with each other in the Libramont Show ring on the 12th and 13th of April - the European Masters Sale will be held on the Friday-night in the same show ring right after the R&W show.

We would like to thank all breeders from all around the World which decided to sell their very best genetics in the European Masters Sale. The incredible consignments resulted in one of the greatest sale catalogues ever on a European Sale. The sale offers something for everybody, multiple lots offered from cows which shined on the coloured shavings on the highest level, with direct opportunities selling out of cows like the previous European Champion Galys-Vray EX-94-CH, the World Dairy Expo R&W Champions Strans-Jen-D Tequila Red EX-96-USA, Luck-E Advent Kandie-Red EX-95-USA, KHW Regiment Apple-Red EX-96-USA, a direct daughter of the Supreme Champion of Madison '17 Rosiers Blexy Goldwyn EX-96-USA and direct daughters of Du Bon Vent Inkapi EX-93-IT, Blondin Goldwyn Subliminale EX-96-USA, Lovhill Goldwyn Katrysha EX-96-USA, PEAK Goldwyn Rhapsody EX-97-USA and more!

Also for the people who are looking for the best index lots, the European Masters Sale is the place to be, some top charting females are selling which will be a great addition to any breeding program and which can stamp their influence on the breed through their future daughters and sons. Some of the breeds highest females are selling, like the #2 Net Merit heifer in Europe (NM \$ 1032), the highest NM heifer ever to be sold in Europe, a Top 5 R&W female in Europe for PTAT & Conformation, the #1 RED CARRIER PTAT Female in Europe, the #1 R&W Conformation heifer in Europe, the #3 GTPI Redrock in Europe with GTPI +2838 and 163 RZG, the #1 RZG Casino daughter with RZG 166, the #4 PTAT heifer in Europe, the #1 Red Carrier Conformation heifer in the WORLD, a Top 5 R&W PTAT female in Europe, the #4 PTAT Red Carrier heifer in Europe, a Top 10 GTPI & Top 10 NM heifer of the March run, the #1 PTAT High Octane daughter in Europe and multiple heifers with unique combinations between fitness, production and high type!

We like to thank the organisation of the European Show for giving us the opportunity to organise the sale during this great event.

We look forward to seeing you all on Friday, April the 12th during the European Masters Sale.

Best regards, The European Masters Sale team

 Cher éleveurs,

Avec fierté on vous présente le catalogue de la première édition du European Master Sale, qui se déroulera le vendredi 12 Avril 2019 à Libramont. Pendant ces jours, cette ville fera le centre mondiale de la race Holstein ! Les meilleures vaches de la race seront en compétition l'une à l'autre dans le ring de concours à Libramont le 12 et 13 avril – Le European Master Sale se déroulera vendredi soir dans le même ring, après le concours des Holstein Rouges.

On aimerait bien remercier tous les éleveurs, venant du monde entier, qui ont décidé de vendre leurs meilleurs génétiques au European Master Sale. Les consignations incroyables ont abouti à l'un des plus grands catalogues jamais à une vente Européenne. La vente offrira quelque chose pour tout le monde. Plusieurs lots consistent des descendantes des vaches qui ont brillées aux sciures colorées au plus haut niveau, des descendantes directes des vaches comme la dernière championne Européenne Galys-Vray EX-94-CH, la championne Rouge de World Dairy Expo Strans-Jen-D Tequila Red EX-96-USA, Luck-E Advent Kandie-Red EX-95-USA, KHW Regiment Apple-Red EX-96-USA, une fille directe de la Championne Suprême de Madison '17 Rosiers Blexy Goldwyn EX-96-USA et des filles directes de Du Bon Vent Inkapi EX-93-IT, Blondin Goldwyn Subliminale EX-96-USA, Lovhill Goldwyn Katrysha EX-96-USA, PEAK Goldwyn Rhapsody EX-97-UK et plus !

Aussi pour les acheteurs des lot haut en index, le European Master Sale est l'endroit pour être ! Certaines femelles en tête de liste seront vendues et elles vont faire un excellent ajout de toute programme d'élevage et elles vont marquer leur influence sur la race à travers leurs futurs filles et fils ! Quelques-unes des plus hautes de la race seront à vendre, comme la #2 Net Merit en Europe (NM \$1032), la génisse la plus haute en NM jamais vendue en Europe, une génisse top 5 Européenne Rouge en PTAT et conformation, la facteur rouge #1 PTAT d'Europe, la #1 Conformation Rouge d'Europe, la #3 GTPI Redrock d'Europe avec GTPI +2838 et 163 RZG, la #1 RZG fille de Casino avec 166 RZG, la #4 GTPI d'Europe, la #1 Facteur Rouge en conformation du Monde, une top 5 PTAT Rouge d'Europe, la #4 PTAT Facteur Rouge d'Europe, une Top 10 GTPI et Top 10 NM de l'indexation de mars, la #1 High Octane d'Europe et des multiples génisses aux combinaisons uniques entre production type et caractères secondaires !

On aimerait bien remercier l'organisation de la Confrontation Européenne pour l'occasion d'organiser la vente pendant cette super évènement !

Nous avons hâte de vous voir tous le vendredi 12 Avril pendant le European Master Sale.

Meilleures salutations, L'équipe du European Master Sale

TERMS & CONDITIONS

Sale Conditions

- The sales conditions define the rules relating to the sale organized by Roccafarm Livestock (Angrica SA), Rue des prés 11, 1370 Saint-Jean-Geest, in collaboration with Eurogenes, Zwolle, NL and European Livestock Services, Niederweis, DE. Every bidder is held to conform to the auction sale conditions. The action of bidding implicates knowledge and acceptance of these conditions.
- The sale organization in all cases, is an intermediary, accomplishing an agreement between seller and buyer.
- The animals offered at the sale are officially registered by the national herd book. The information in this catalogue comes from the official pedigree concerning the first 3 generations and from other information concerning the deeper pedigree. Only the official pedigree is valid. The organization can never be held responsible for mistaken information in this catalogue.
- All animals on the sale have been tested negative for BVD ag, IBR gB, neosporosis (serology) and paratuberculosis (= Johnes disease, serology).
- All animals have been inspected by an official veterinarian and declared in good health
- The organization can never be held responsible for any damage caused as a result of the event. The organization can never be held responsible for any animal diseases which are possibly spread during the event. The risks concerning the animals changes from seller to buyer at the moment of sale.
- The sale will take place by increasing bids. The prices are excluding VAT. Bids will be in EURO.
- Prices for embryos lots are mentioned in prices per embryo.
- In the case that the auctioneer makes a mistake, he has the right to correct that mistake and reopen the bidding. The auctioneer can reopen the bid right after the hammer has fallen or at the end of the sale.
- Sale costs: The sale price excludes VAT, sale commission of 10% and insurance. For foreign buyers, the invoicing will be without VAT, on presentation of its intra-community VAT-number.
- The seller remains responsible for their animal until the end of the sale. In case of latent defects or litigation, the costs of the sale remain the responsibility of the buyer, veterinary costs are the responsibility of the buyer, in case of dispute, the seller is responsible for no more than the selling price of the animal.
- All purchases have to be paid within 7 days after reception of the invoice and certainly before the transport of the animal.
- Ownership: The responsibility of the animal will pass on from the seller to the buyer at the moment of the end of the sale; Before the complete payment of the animal, the seller remains the owner of the animal
- Transport and export of the animals: All animals can be transported after full payment. The transport and export costs are for the buyer. For eventual quarantine costs and export costs, please contact sale organization.
- For heifers selling in absentee, the costs for transport and export from the seller to the buyer will be for the buyer.
- The cost for exporting embryos are for the buyer of the embryos.

 - The buyer has to pay a 25% down payment + the full commission right after the sale
 - The choice has to be made within 3 months after the last calf is born
 - The remaining 75% payment has to be done within 1 month after the last calf is born
- Any updates and changes will be mentioned in the sale update which will be available online and in the sale booth on sale day
- In the case of a purchase being cancelled due to visible or non-visible defects, the sale costs remain the responsibility of the seller and buyer. The veterinary costs remain the property for the buyer, the maximum damage is the amount of the purchase price. Seller and organization can never be held responsible for secondary damage
- For any dispute regarding this auction, allocation of jurisdiction is made to the Court of Nivelles. Belgian laws will apply to this auction

-
- Ces conditions de vente définissent les règles relatives à l' European Master Sale. La vente est organisée par Roccafarm Livestock (Angrica SA), Rue des prés 11, 1370 Saint-Jean-Geest, Belgique, en collaboration avec Eurogenes, Zwolle, NL and European Livestock Services, Niederweis, DE. Les présentes conditions de vente sont réputées connues et acceptées sans réserve par les enchérisseurs.
 - Dans tous les cas, l'organisation de vente agit uniquement comme intermédiaire, avec le seul but de conclure un contrat de vente entre vendeur et acheteur.
 - Les animaux présentés à la vente sont titulaires d'une Déclaration de Naissance recevable et sont inscrits à un livre généalogique officiel. Les informations figurant dans ce catalogue proviennent des pedigrees officiels des animaux en vente pour les 3 premières générations et d'information recueillies sur les pedigrees des générations précédentes. Seul le pedigree officiel fait foi. L'organisation ne peut jamais être responsable pour des erreurs éventuelles dans le catalogue.
 - Tous les animaux présentés à la vente ont subi un test négatif pour BVD ag, IBR gB, neospora et paratuberculose.
 - Tous les animaux ont été inspectés par un vétérinaire officiel et ont été déclarés en bonne santé.
 - L'organisation ne peut en aucun cas être tenue responsable des dommages résultant de l'événement. L'organisation ne peut en aucun cas être tenue responsable des maladies animales éventuellement propagées lors de cet événement. Les risques concernant les animaux passent du vendeur à l'acheteur au moment de la vente.
 - La vente se fera par augmentation des offres. Les prix sont hors TVA. Les offres seront en EURO
 - Dans le cas où le commissaire-priseur commet une erreur, il a le droit de corriger cette erreur et de rouvrir l'enchère. Le commissaire-priseur peut rouvrir l'offre juste après la chute du marteau ou à la fin de la vente
 - Frais de vente : Le prix d'enchère est hors TVA 6%, et sera majoré de 10% de frais de vente. Pour un acheteur étranger, la facturation se fera hors TVA, sur présentation de son numéro de TVA intracommunautaire.
 - Le vendeur reste responsable pour son animal jusqu'au fin de la vente. Dans le cas où il y aurait un vice caché ou litige, les frais de vente restent à la charge de l'acheteur, les frais vétérinaires sont à la charge de l'acheteur ; en cas de litige le vendeur est responsable au maximum pour le prix de vente de l'animal.
 - Tous les achats sont payables après réception de la facture dans les 7 jours et impérativement avant l'enlèvement de l'animal.
 - Propriété : Dès la fin de la vente, la responsabilité de l'animal passe du vendeur à l'acheteur. Avant le paiement intégral de l'animal, celui-ci reste la propriété du vendeur.
 - Enlèvement et transport des animaux : Les animaux peuvent être enlevés après paiement des sommes dues. Les frais de transport et exportation éventuels sont à charge de l'acheteur. Pour une estimation des frais de quarantaine et exportation, veuillez prendre contact avec l'organisation de vente.
 - Pour les génisses qui seront vendues en absence, les coûts de transport et d'exportation du vendeur à l'acheteur seront à la charge de l'acheteur.
 - Les coûts d'exportation des embryons sont à la charge de l'acheteur des embryons.
 - L'organisation ne peut être tenue responsable des dommages causés aux personnes ou aux biens liés à la vente.
 - L'organisation ne peut être tenue responsable des contrats proposés avec un animal vendu, cette responsabilité est à l'organisation offrant le contrat.
 - La réglementation du 1er choix :
 - L'acheteur a le droit de choisir son 1er choix parmi toutes les femelles résultantes des gestations mentionnées dans le catalogue.
 - L'acheteur ne peut faire aucune réclamation contre le vendeur si moins de veaux naissent des gestations mentionnées.
 - L'acheteur doit payer un acompte de 25% + la totalité de la commission juste après la vente
 - Le choix doit être fait dans les 3 mois après la naissance du dernier veau
 - Les 75% restants doivent être payés dans le mois qui suit la naissance du dernier veau
 - Pour les embryons, le prix est par embryon
 - Toutes les mises à jour et modifications seront mentionnées dans la mise à jour des ventes qui sera disponible en ligne et dans le stand de vente le jour de la vente.
 - En cas d'annulation d'un achat en raison de défauts visibles ou non visibles, les frais de vente restent à la charge du vendeur et de l'acheteur. Les frais vétérinaires restent la propriété de l'acheteur, le montant maximal des dommages est le montant du prix d'achat. Le vendeur et l'organisation ne peuvent jamais être tenus responsables de dommages indirects.
 - Pour tout litige concernant cette vente, tombant sous l'application des lois Belges, l'attribution de juridiction est faite aux Tribunaux de Nivelles.

Clients experiences

Christoph Lüpschen (Germany): "Over the last two Years we sold more then 100 Cows to European Livestock Service / Nici Nosbisch, we are really pleased how everything worked, from the selection they did on the farm to the day when the cows left our farm everything was just perfectly organized, we are looking forwards for future buisness with European Livestock Service"

Roccafarm Livestock SA (Belgium): "Sourching quality cows and heifers had been easy, efficient and successfull for us trough European Livestock Service. Findind the right kind of animals makes customers happy."

The Livestock Exchange UK: "We at livestock exchange have nowworked with Nici over 1000 animals! Every part of the buisness is well organised, from finding quality we require, farm visits, relevant paper work trough haulage and delivery! We would not choose to work with anyone else!"

Roel Dekker (The Netherlands): "We are very satisfied with the cows we purchased last year through European Livestock Service. 70 of the 105 animals we purchased are now in 2nd lactation and developed well with great udders and feet & legs."
