RZG TESTING FORM

for U.S. and Canadian breeders

guidelines for submitting RZG sample

step 1: pull hair sample

Collect hair sample (30-40 strands) just below the end of the tailbone, please make sure hair roots/follicles are attached. Dirty, contaminated samples will not be processed. Secure sample in a clearly labeled clean envelope and seal, only one sample per envelope please.

step 2: pull official pedigree

Each hair sample must be accompanied by an official Holstein USA or Holstein Canada pedigree for submission. Any sample sent without a pedigree will not be submitted.

step 3: include payment

Each hair sample must be accompanied by a check (payable to AMS Genetics) or credit card payment over the phone. Any sample received without payment will not be submitted.

Lab Testing Fee: \$135.00 + Handling/Mailing Fee: \$25 (Holstein Plaza members) or \$50 (non-members) = Total: \$155.00 (Holstein Plaza members) or \$185.00 (non-members)

Samples must be submitted by the 15th day of each month. Samples will be submitted in the following month's test with results back the next month. (i.e. samples submitted by May 15 will be submitted in the June test with results in July, same day as U.S. release)

Mail samples to: AMS Genetics c/o Steve Mower, P.O. Box 12, Fairplay, Maryland 21733 or for UPS/FedEx AMS Genetics c/o Steve Mower, 7441 Sharpsburg Pike, Boonsboro, Maryland 21713
